

# Marshmallow Dreams

$\text{♩} = 78$

The sun goes down at the end of a day,  
The bold brown bunny has gone to his bed,  
The sand-man comes to close your little eyes,

Clouds stretch out and slip soft-ly a-way;  
The laugh-ing flower rests its dear litt-le head;  
Star-dust twink-les and lights up the skies;

Stars keep watch while the still night comes your way, To  
Owls keep watch, while lithe fair-ies dance a-head, With  
The man in the moon sings you sweet lull-a-bies, And

CHORUS

bring you sweet marsh - mall - ow dreams.  
 bas - kets of marsh - mall - ow dreams.  
 soothes you with marsh - mall - ow dreams.

Dream on, dream

on, marsh - mall - ow dreams are a - wait - ing;
