

# The Seasons

$\text{♩} = 105$  *rit.*

I like to feel the fall - ing snow, dance a - bout, prance a - bout;  
 I like to hear the pour - ing rain, fall a - bout, all a - bout;  
 I like to smell the fra - grant rose, play a - bout, stay a - bout;  
 I like to watch the aut - umn leaves flit a - bout, sit a - bout;

*a tempo* CHORUS

I like to feel the furr - y flakes fall gent - ly on my chin.  
 I like to hear the rhyth - mic rain - drops on my win - dow pane. I  
 I like to smell the fra - grant rose that grows in my back - yard.  
 I like to watch the litt - le leaves put on their brand new coats.

don't know which I like the best, Win - ter, spring, summ - er or fall; I

don't know which I like the best, I think I like them all.
